2000 Citation CJ2 - 9H-ALL

Cessna Citation CJ2

The **Cessna Citation CJ2**, also known as Model 525A, is a light private jet from **Cessna's renowned CitationJet family**.

Designed to meet the demands of business aviation, it offers a balanced combination of performance, comfort, and efficiency. With seating for six to eight passengers, it features a pressurized, modern, and luxurious cabin, making it ideal for short to medium-haul trips.

Powered by two **Williams FJ44-2C engines**, the **CJ2** cruises at a speed of approximately 740 km/h (460 mph) and has a range of nearly 3,000 kilometers (1,600 nautical miles).

Its performance makes it a versatile aircraft, well-suited for private owners and business jet operators alike. Its single-pilot capability and cost-effective maintenance add to its appeal.

Reliable and sleek, the **CJ2** remains a popular choice in the light business jet category.
