2004 Challenger 604 – MSN 5583 – A6-RAS

Challenger 604

The Challenger 604, produced by Bombardier, is a benchmark in its class of business jets. Known for its impressive range of nearly 7,000 kilometers, it allows for long-haul flights without stopovers in optimal comfort. Its spacious and elegant cabin is designed to accommodate up to 12 passengers, providing an ideal environment for work or relaxation.

Thanks to its reliable performance and advanced technology, the Challenger 604 perfectly meets the expectations of business travelers seeking the ideal balance between luxury and efficiency.
