PRESS RELEASE

Boutsen Aviation Celebrates Its 437th Aircraft Transaction with the Sale of a Cessna Citation Latitude

Monaco, November 2026 — Boutsen Aviation is pleased to announce its involvement in the successful sale of a 2016 Cessna Citation Latitude, marking the company's 437th aircraft transaction since its founding in 1997 and its 108th Cessna transaction.

This transaction represents another chapter in Boutsen Aviation's longstanding presence in the international business aviation market, reflecting the company's experience and established relationships across the industry.

Working closely with the parties involved, **Boutsen Aviation** played an active role in facilitating the transaction, contributing its experience and expertise to ensure a smooth and successful outcome.

"We are delighted to have contributed to the successful completion of this transaction, which marks another important milestone for Boutsen Aviation. Reaching 437 aircraft transactions, including 108 Cessna aircraft, reflects the long-standing relationships and trust we have built within the industry over nearly three decades," said **Dominique Trinquet, President of Boutsen Aviation**.

Boutsen Aviation would like to extend its sincere appreciation to the seller and their entire team for their trust, cooperation and professionalism throughout the transaction. The company also wishes the new owner many enjoyable and successful flights aboard their Citation Latitude.

With nearly three decades of experience in business aviation, **Boutsen Aviation** continues to provide its international clientele with tailored expertise and dedicated support throughout aircraft sales and acquisitions.

108 Cessna aircraft sold since 1997
